

# **AixIA Conference**

Artificial Intelligence meets Intelligence Artificielle  
1st & 2nd of October – Karlsruhe, Germany

# AixIA – Key Facts

From October 1-2, 2019 the AixIA takes place for the first time –

a Franco-German conference on the application of artificial intelligence.

Around 300 expert guests from Germany and France, political greetings, 4 keynotes, 2 interactive podium panels, more than 18 impulse speeches by high-tech start-ups, SMEs and corporates, and a follow-up workshop day will ensure the best possible practical relevance.

## Goals:

- Demonstrate Best Practices and Use Cases
- Create networking and pave the way for a European AI strategy

## Target groups:

- Policy makers
- Decision makers from companies
- Students and highly qualified business and technical staff

## Key Facts:

- Around 300 guests
- 4 Keynotes from FR & DE
- Over 18 impulse speeches
- 3 stages
- Workshop day
